NLP DIPLOMA IN CHANGE LEADERSHIP

NLP IS A POWERFUL AND PRACTICAL SET OF SKILLS, TECHNIQUES AND ATTITUDES FOR ACHIEVING BETTER RESULTS IN LIFE (EITHER PERSONALLY OR PROFESSIONALLY); COMMUNICATING EFFECTIVELY; AND LEARNING HOW TO CREATE REAL AND SUSTAINABLE CHANGE FOR YOURSELF OR OTHERS.

As 'A User's Manual For The Mind', NLP studies how our often habitual patterns of thinking (Neuro), communication (Linguistics) and behaviour (Programming) shape our unique experience of life and our interactions with other people. By becoming more aware of your own habitual patterns and learning where, when and how to make small changes, you can begin to improve your results in whatever area of your life, career or relationships that you choose.

By becoming more aware of these patterns in other people, you can also increase your ability to understand, influence and effectively engage with them.

NLP skills and methodologies are now widely used to improve outcomes in areas as diverse as Business, Health, Education, Politics, Community Development & Sport and NLP principles are at the heart of the approach taken to developing the Northern Ireland Programme for Government.

Learning NLP has become an essential element in professional development programmes for Leaders and Managers and it is a key part of the toolkit for many Life, Executive and Leadership Coaches, Trainers and Consultants.

This 3 Seminar (6 Day), NLP Diploma in Change Leadership will allow you to enhance and deepen your ability to create change with yourself and others.

In particular, you will focus on learning the skills of Modelling excellence and being able to use those skills to help others improve their own performance.

You will explore how to identify and change the limiting beliefs that hold people and organisations back in life.

You will also learn to identify how complex systems work and how developing Systems Thinking can greatly enhance your success in creating change.

If you are already NLP qualified it also gives you the opportunity to deepen your existing knowledge and skills as a CPD programme.

The 9 months I spent training with Michael were really worth it, not only benefitting my life but those of my family and others I have coached along the way.'

Couldn't recommend Michael more highly.'

Patrick Cordell, Art of Brilliance Trainer, Advanced NLP Practitioner and Winner of the 2017 UK NLP In Education Award.

Alana Jones, Workplace Solutions: Executive Coaching; Training; Organisational Development

'I first got in touch with Michael about a year ago as I've always been interested in NLP but didn't know much about it. I finally recently attended his Live It or Lead It programme and the results for me began immediately.'

'The biggest tribute I could pay to Michael is to say that he's a guy who knows so much he could bowl you over; but he doesn't. Like any good facilitator or coach Michael finds a way to transfer learnings in an engaging and simple fashion.'

Craig Thompson, Director, Vibrant Talent Development

'Michael is an exceptional communicator, who is passionate about NLP and very knowledgeable on the subject. The combination makes for an outstanding trainer!'

Cathy Mullan, NLP Trainer & Coach

He not only cares genuinely about his work and those he leads but is an expert NLP Trainer, a professional and genuinely honest person. Michael embodies the best of NLP, high values, skill, is a model of success, a fantastic Coach and a really nice guy'.

Joanna O'Brien, Career Consultant at Inside Out NLP Coaching
